

Dodge® Inserts

Factory representatives are available to provide assistance at Design & Manufacturing level.

Fasteners West maintains a large inventory at our Santa Ana facility.

Local inventory allows us to ship same day order is received.

Local inventory allows us to support you with items specific to your requirements.

With order scheduling we offer the customer the best pricing for their requirements through larger quantities without the need to keep inventory in house.

Fasteners West maintains full trace-ability.

Let Fasteners West support you with the Quality and Delivery demanded by your customers.
